The Tentacle Sync E mkII Timecode Generator dual set pairs two lightweight, super-compact Sync E mk2 timecode.

\$400

This Time-Code sync allows my Tascam field recorder (un-tethered) to add 3 Pro grade channels. A mixer with more mixing to stereo, plus separate dialogue.

Sennheiser MKE 600 Shotgun Microphone \$400

Roland FANTOM 8 EX Synthesizer Workstation * Can rent for 3 weeks post

\$4,349.00 [Link](#)

I have worked with Roland keyboard workstations for many years. They're outstanding and are especially effective making film music beds, stingers, songs, and full compositions. It has professional quality sound and MIDI. They can output directly two computers and control computer recording programs. They can also record samples for foley, special effects and voice over.

Sony MDR-7506 Headphones Costs \$86 headphones do an outstanding job of cutting down background noise while providing plenty of volume
